Today we are sharing Alex's story and why MYZ is somewhere she always feels welcome 😊

Alex was eight when she first joined MYZ because she was bored and felt there was nothing else to do in North Manchester. She became a regular as she loved the fun activities MYZ provided, and it was a safe-space where she could hang out with her friends and meet new ones.

Alex is now a super active member, enjoying rock-climbing, exercising in the gym, dancing, playing games and using the music room! As well as loving all the activities MYZ has made accessible to her, she loves the staff as they are fun and caring- she was thrilled when they sent Christmas presents home for her and her mum.

This girl is a force to be reckoned with, she loves math and wants to be a solicitor one day, and she already plans to join the Board of Trustees at MYZ to share her brilliant ideas on how to make the Youth Zone even better, especially for girls! 🎉💪

Alex says her favourite thing about MYZ is it's inclusivity and how everyone is welcome no matter who you are.
